

Liberal Arts and Science Academy High School

7309 Lazy Creek
Austin, Texas 78724

Office of the Principal

May 18, 2009

Dear Parents,

Congratulations! Soon you will be a parent of a member of the second graduation class of the Liberal Arts and Science Academy High School. Graduation is a momentous occasion in a young person's life, therefore, it is very important that we work together to make the ceremony one that will be remembered fondly for years to come.

Enclosed with this letter, you will find some very important information in regards to the graduation ceremony. Please take the time to read it carefully. Many of your questions should be answered by this information. One very important piece of information is in regards to parking this year in and around the Erwin Center. Due to the state track meet, UT baseball games and other activities that will be held near the center, traffic and parking are going to be huge issues. The Erwin Center staff recommends that students as well as parents and guests plan on arriving at the center earlier than what normally would have sufficed in the past. Red River Street in front of the center is likely to be jammed with traffic going both directions. Graduating Seniors cannot afford to be late – they must be inside the center no later than 5:00pm.

A mandatory graduation practice for those participating students will be held on June 2nd, 2009 at 1:00pm in the LBJ High School gym. At this practice, important information will be conveyed to the Seniors about the ceremony and information regarding official graduation photographs will be distributed.

We are thrilled and honored to be a part of this very exciting second graduation ceremony. Your son or daughter will always hold a special honor in the school by being a member of the second graduating class of the Liberal Arts and Science Academy High School.

Congratulations LASA Seniors of 2009!

Sincerely,

René Sanchez, Principal
